REGISTRATION POLICY

It is the Parks and Recreation Commission's policy to prohibit the participation of any individuals or teams that have not paid their registration fees. For the sake of fair and proper enforcement of the registration policy "proof of registration" receipts will be issued to each participant who has paid his or her registration fee.

DEFINITION OF RESIDENT

A resident is a person who resides in the city, township, or school district of Grand Blanc.

REFUND POLICY

A \$15 fee will be charged on all refunds if requested more than 7 days prior to the start date of a program. If 7 days or less, a 50% refund will be given. NO REFUNDS or in-office credits will be granted on or after the start date of a program.

ACTIVITY CANCELLATIONS

If a class or activity must be cancelled due to the weather conditions, mechanical failure, or other unexpected problems, an effort will be made to schedule a make-up. In the event

a cancellation is necessary, participants will receive an email about cancellation information.

SCHEDULE CONFLICTS

Due to the limited hours in the day and number of activities offered by Grand Blanc Parks and Recreation, schedules may conflict. Please be aware of this when you are registering.

PARTICIPANT RESTRICTIONS

We reserve the right to remove participants from any program if the site supervisor determines their actions or behavior are a detriment to the program or other participants enjoyment and refunds will be at the determination of Parks and Recreation.

SPECTATORS RESTRICTIONS

Supervisors have the right to ask parents, spectators and participants to leave if their behavior interferes with the teaching, learning and/or recreation environment.

YOUTH RECREATION PROGRAM PHILOSOPHY

Every Grand Blanc Parks and Recreation youth program is designed for the sole benefit of the child-participant. Each program has two goals. The first goal is to aid in the development of each and every child physically, emotionally, and socially. In all cases, it is recognized that each person is unique with specific talents, needs and problems. As a result of these differences, the Grand Blanc Parks and Recreation Commission offers programs that cater to the group's needs while respecting and treating each participant as an individual. We hope that each person recognizes and respects the rights of every one involved.

DIRECTOR'S MESSAGE

Dear Resident:

On behalf of the Grand Blanc Parks and Recreation Commission, I would like to again thank the many businesses, organizations and individuals for their continued support in 2018 and hope you will consider us again in 2019. On a personal note, I want to thank so many in the community who have supported GBPR and me personally throughout my 34 years working here. I can't possibly begin to THANK YOU enough!!

We continue to be appreciative of Township resident's approval of our .25 millage request in 2016. We continue to work on upgrades at Creasey Bicentennial Park. In 2018 we started the construction of a new multi-purpose field that will benefit many user groups including junior football, lacrosse, and soccer. More projects will get underway in 2019 as well!

I also want to take this opportunity to remind and encourage your continued participation in a program sponsored by the State of Michigan and the Department of Natural Resources called the Recreation Passport. When Michigan residents renew their license plates, they can opt to purchase a Recreation Passport for \$11.00. The passport gives you free admission to any of the 98 state parks in Michigan for the year.

Once again we want to remind you to keep this booklet as it includes both Summer AND Fall programs to assist you in your Summer and Fall planning. Also, due to the numerous and generous sponsors of our booklet, we are again highlighting our programs with the GBPR logo / emblem.

Heat Index Guidelines For Youth Outdoor Activities

Grand Blanc Parks & Recreation (GBPR) has implemented the following guidelines to deal with extreme heat at all youth based outdoor games, activities, and practices. It is designed to provide participants with a standard for safe play in situations of extreme heat.

The two values that GBPR will take into account when modifying or canceling games/activities/practices are air temperature and relative humidity. The combination of these two elements reflects the **heat index**. We will rely on the heat index reading that is updated hourly by the National Weather Service at Flint Bishop Airport.

GBPR has defined five heat index zones. These zones are based on recommended guidelines published by the American College of Sports Medicine (ACSM) for participation in sports activities during periods of extreme heat. Because the heat index does not take into account wind and direct sunlight, two degrees will be added to the stated heat index on sunny and still days. Likewise, two degrees will be subtracted on cloudy and windy days.

White Zone

Heat index of 65-80 degrees. In this range, the participant is in very little danger from heat and no special measures will be taken GBPR.

Yellow Zone

Heat index of 81-98 degrees. In this range, coaches/staff will be encouraged to take extra steps to protect their players by making sure they keep them hydrated and by encouraging frequent substitution during games and practices.

Orange Zone

Heat index of 99-105 degrees. In this range, GBPR will implement the following at games: all measures taken in the Yellow Zone; water coolers will be available at each field complex for players/parents/fans; catchers will be allowed to catch only two innings in succession. If it is a practice day, coaches are instructed to keep players well hydrated and to take frequent breaks.

Note - During the course of the day, the heat index will rise and fall depending upon the time of day, amount of wind, cloud cover, etc. The above program modifications could also change throughout the course of the day, especially on a weekend. For example, a 1pm game on Saturday could be played under the Orange Zone guidelines and a 4 pm game could be played under Red Zone guidelines. Coaches and parents will be informed of the appropriate zone of play through signage at the game fields.

- Other outdoor activities such as tennis lessons, soccer camp, etc., will be modified by the instructor on site.

The above are merely guidelines and it is the responsibility of parents to make the ultimate decision as to the participation of their child in GBPR events when heat may be a factor, taking into consideration the age and physical condition of their child. Parents also have the ultimate responsibility to inform their child about the dangers of heat and need for protection, including sunscreen and proper hydration.

Red Zone

Heat index ranging of 106 to 115 degrees. In this range, GBPR will implement the following for games/activities: all measures taken in the Yellow and Orange Zones; the length of games will be modified according to the schedule below.

- Baseball, soccer, and softball grades Pre K- K – games will be reduced by 15 minutes
- Softball grades K-8 – games will be reduced by 15 minutes
- Lacrosse grades 5-8 – games will be reduced by 15 minutes
- Tennis/Track (All ages) games will be reduced by 15 minutes

If it is a practice day, coaches are instructed to reduce the time of practice, take frequent breaks and keep players well hydrated by having them drink water.

Black Zone

Heat index above 115. In this range, GBPR will cancel all games and practices until the heat index returns to 115 or below. Notification will be given through the website, gbparks.com, the rainout line, signage/Red Flag at the sports complex.

Off-Broadway comes to Grand Blanc! An exciting theatre experience is in store for boys and girls ages 8-13 years. Participants will get a chance to develop their talents in many areas of the performing arts. Auditions will be held, with each participant receiving a part for this year's production, in late July. Don't miss out on your chance to be on stage! Full rehearsal schedules will be handed out weekly, to inform participants of exact time to be at the school.

Participants do not need to bring anything prepared to the rehearsal. Just come dressed comfortably and be ready to be creative! **PERFORMANCE DATES WILL BE JULY 17 and 18.**

This Year's Show Will Be A Lot of Fun and Excitement, So Come and Join the Fun!

Cooking Camps – Summer 2019

Children learn healthy cooking skills, through fun and play, without the Chef Gordon Ramsey yelling! Each day of this 1-week camp, kids will make and eat a morning snack, get in some fun exercise activities, cook and eat a 3-course meal, learn basic gardening, play nutrition games, go on a nature walk, and end their day with yoga. Rata2ee teaches cutting techniques (with kid-safe knives), weights and measures, stove and kitchen safety, and sanitation. Kids also learn where food comes from and what makes a healthy plate. This well-rounded camp takes a holistic approach to healthy living. Each day starts and ends with a theme word that promotes character-building.

Camps are taught by ServSafe Certified Chefs and teachers who already work within local schools. As part of the registration process, parents must sign a liability waiver for any child to attend. A week before the camp starts, an email with important information (like what to wear, what is ok and not ok to bring to the classroom, drop off and pick up information) will be sent. All recipes are nut free; however, all allergies must be listed on the registration/waiver form and will be followed up with a discussion with the chef prior to the session starting. Please note, there is no kids club (latchkey) available with this camp. Sessions are limited, so sign up NOW to get in with your friends!

Ages: 7 – 11 boys and girls
* please note, children should have already completed first grade

Days: Monday – Friday

Week: August 5 – August 9

Time: 8:45 am-4 pm (Friday pickup is 3 pm)

Cost: \$285 per student (\$205 & \$80 Material Fee)

Location: Grand Blanc High School West, Room 707
